

**AIR FORCE SCIENTIFIC ADVISORY BOARD  
PANEL ON GEOPHYSICS**

16 November 1959

**MEMORANDUM TO MEMBERS AND CONSULTANTS**

**SUBJECT: Chairman's Notes on Meeting of November 10-11, 1959 at  
Washington, D. C.**

**Members absent: Elvey, Goldberg, Malone, Stuhlinger, Van Allen, and  
Whipple.**

**The Panel:**

1. Completed its report for 1959.
2. Set the dates for its Alaska meeting, February 27 to March 5, including time allowed for travel. Further details will be issued by the Secretary at an early date.
3. Received a briefing on Air Force Alaskan operations.
4. Discussed its plans for 1960, and agenda for Alaska meeting.
5. Discussed proposals for Panel action by Wheelon, Schilling, Zmuda and others, deferring action to a subsequent meeting.
6. Requested the Secretary to invite a member of the Communications Panel, plus Colonel J. O. Fletcher and Lt. Colonel J. E. Fox to participate in the Alaska meeting.
7. Noted that Dr. Wrigley of the Guidance Panel will participate in the work of the Panel on Geophysics and that Dr. Goldberg will be a member of the newly constituted Panel on Basic Research.

  
**Paul A. Smith
